DECLARATION OF CONFORMITY

RoHS, REACH & SCIP

Dear Customer,

We hereby confirm that all compounds used in the manufacture of our products comply with the following European Directives and Regulations:

2000/53/EC, and subsequent updates	Automotive sector (end-of-life vehicles and elimination of heavy metals)
2011/65/EU - 2015/863/EU, and subsequent updates	Restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS III & China RoHS III)
2012/19/EU, and subsequent updates	Waste electrical and electronic equipment (WEEE)
Regulation (EC) No 1272/2008, as amended	67/548/EEC and 1999/45/EC and amending Regulation (EC) No 1907/2006 [CLP]
Regulation (EC) No 1907/2006, as amended	Regulation concerning the registration, evaluation, authorization and restriction of chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Regulations (EEC) No 793/93 and (EC) No 1488/94, as well as Directives 76/769/EEC, 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC [REACH]

We also confirm compliance with the following Regulations, which update REACH Regulation (EC) No. 1907/2006:

Regulation (EU) 2016/2235	Amendment of Annex XVII to Regulation (EC) No 1907/2006 concerning Bisphenol A
Regulation (EU) 2019/1021	Recast of Regulation (EC) No 850/2004 concerning POPs (persistent organic pollutants)
Regulation (EU) 2017/1000	Amendment of Annex XVII to Regulation (EC) No 1907/2006 concerning PFOA substances
Regulation (EU) 2020/1149	Amendment of Annex XVII to Regulation (EC) No 1907/2006 concerning diisocyanates
Regulation (EU) 2020/784	Amendment of Regulation (EU) 2019/1021 concerning POPs, including PFOA substances
Regulation (EU) 2023/1608	Amendment of Part A of Annex I to Regulation (EU) 2019/1021 concerning POPs, including PFHxS substances

Rev 55 17.03.2026

ADDITIONAL INFORMATION

Regarding the substances listed in Annex XVII, we point out the possible presence, in some colored NBR compounds (colors other than black), of DINP, CAS No. 28553-12-0, whose use is prohibited in toys and childcare articles. Any presence is indicated in the compound IMDS.

We also confirm that the articles supplied by Tisan Oy comply with the GADSL (Global Automotive Declarable Substance List) 2025-02 and do not contain any of the 253 substances listed in the REACH Candidate List of SVHCs, updated on 04/02/2026, except for articles produced in VMQ 70 TRANSPARENT. In those articles, "Dodecamethylcyclohexasiloxane", CAS 540-97-6 and EC 208-762-8, is present at a concentration above 0.1% and below 0.3% by weight. The substance is included in the Candidate List of SVHCs and is registered in the SCIP portal under No. 6bb03b91-ca71-4164-ab4bdb426fe8c1fb.

Pursuant to Article 31 of Regulation (EC) No 1907/2006 (REACH), the products supplied by Tisan Oy. are articles for which a safety data sheet (SDS) is not required.

This information is provided in good faith and is believed to be accurate as of the date of publication of this declaration, based on the review of current compositions and information received from suppliers. Should suppliers communicate any changes, we will provide updated information.

For NBR and EPDM compounds, negligible traces of lead (<0.1%) and cadmium (<0.01%) may be present in the form of their oxides, as impurities in the zinc oxide used, and in any event below the tolerance limits indicated in the Directive.

The presence of PAHs (PAH/PAK), contained in carbon black and in certain aromatic plasticizers, cannot be excluded. According to manufacturers' declarations, these substances are within the limits required by REACH, except for restrictions concerning direct and prolonged, or repeated short-term, contact with human skin or the oral cavity and for the toy sector, as defined by Regulation (EU) No 1272/2013, for which compliance is not confirmed.

Best Regards,

Tisan Oy
